Letters, Notes and Emails ...

Friends,

The writer of Ecclesiastes reminds us that for everything, there is a season—a timeless message that resonates deeply for individuals, communities, and our church. As we celebrate 100 years of the United Church of Canada, we recognize that ours is not a static institution, but a living, evolving community, continuously seeking to follow Jesus faithfully in a changing world.

Over the decades, we have embraced profound transformation. We moved from predominantly male leadership with the ordination of women, acknowledging the gifts and callings of all whom God calls to serve. We have sought to include and affirm people of all sexual orientations, gender identities, abilities, and backgrounds, reflecting the diverse image of God in our midst. We have faced our complicity in past injustices, offering apologies for the harm done to our Indigenous, Japanese Canadian, and other racialized siblings. Our structures and rules have adapted, responding to the needs of each new generation.

Yet, even amid this constant change, some things remain beautifully steadfast. The congregations of Rockwood and Stone are built on a foundation of deep love for God and each other. This winter, as we grieved the loss of loved ones, that love became tangible through the countless acts of kindness—flowers, food, cards, messages, phone calls, and heartfelt words. These gestures gave John, Lisa, Helen, our family, and me strength as we mourned Sarah's passing, and I know this same care extends throughout our community.

In these moments, we are reminded that, just as we support one another, God is with us—in life, in death, and in life beyond death. Our United Church's commitment to bold discipleship, daring justice, and deep spirituality assures us that, no matter the season, we can continue to make a meaningful difference in the world.

Blessings,

Rhett

Spring 2025

A Message from the Pastoral Charge Board Chair

Greetings Everyone,

Spring is always a great time to be excited about the future and new birth. We think about new crops, newborn animals, and new opportunities. It must have been similar, 100 years ago, when our ancestors had the vision to form the United Church of Canada. Members of the Presbyterian, Methodist, and Congregational Churches must have been both excited and apprehensive about what the new union would mean for them. What would be the benefits and what 'good' things would they be losing. Their vision and courage have brought us to this point of celebrating our 100-year-old history.

Yes, our union has not always been straightforward and without its divisive issues. We have lost members and gained members through our endeavours to be more tolerant and accepting of everyone in the belief that we are being consistent to the teachings and practices of Jesus. But I think, because of going through those issues, we are stronger and better prepared for our future. We may have some difficult decisions to make as we face declining membership and finances, but we need to meet those issues with the same vision as our ancestors had 100 years ago, with hope, excitement, and optimism.

We have an exciting opportunity to celebrate the United Church birthday at Melville United Church in Fergus on June 8th. Many churches in the area are taking part and combining their choirs to perform anthems and add to the festivities. Our own Lisa Leffler will be one of the guest speakers for the event! I hope you will be able to attend. I also hope, at this time, that you might consider giving a special donation to your church to help support all the benefits we receive from being part of our two congregations. Maybe \$1 for every year or whatever you can afford, will go a long way to help sustain the life of our churches.

I wish you a great spring and summer ahead. All the best,

Randy Dewey

Rockwood Stone Ministry and Personnel

Submitted by Brian Mack

Ministry and Personnel met on May 8th at 2 pm on Zoom. Highlights of the meeting were as follows:

- Procedures for Compassionate Leave were reviewed and a note made in the minutes as to how Rev. Leffler's leave was handled at the time of Sarah's passing. She expressed her deep gratitude for the support of our congregations.
- Adjustments to the Minister's salary for 2024 and to the Secretary's salary for 2024 were noted.
- New resources as of March 25, 2025 for Ministry and Personnel were reviewed.
- The process for annual reviews was highlighted and these reviews will be completed by the end of September.
- Heather reviewed her on-going work re: pastoral care, planning with Worship and Faith Formation, meeting with Finance and Stewardship, serving for a time as a Pastoral Charge supervisor for Barrie Hill, Speedside, Ebenezer and Morriston, and her work with the Regional Council including the recent gathering of WOWRC in Port Elgin.

- Ministry and Personnel guidelines re: position descriptions were reviewed. Patty Lancaster and Rosslyn Bentley will meet with Lisa Leffler to update the description for Pastoral Charge Secretary/Tech Support. Rev. Leffler will join these meetings as she is able. The new position description will be brought back to M & P in the fall and the intent is to bring the description forward to the Board at the November meeting.
- Next meeting will be October 28th at 2 pm on Zoom.

Rockwood Stone Finance & Stewardship

Submitted by Heather Leffler

The committee met on May 7 on Zoom.

It was agreed that Worship and Faith Formation will be asked to let treasurers know the date, name, address, email address and mileage of individuals providing pulpit supply or speaking on Anniversaries and special occasions as soon as speakers are booked. The pastoral charge treasurer pays regular pulpit supply and congregational treasurers pay Anniversary speakers.

It was noted that with the change in pastoral charge treasurers early in 2024 the minister and secretary's budgeted raises were not passed on to ADP Payroll Service. These amounts will be paid through ADP when the spring deposit from the Manse Fund has been made to the pastoral charge. We will be looking into the office phone to see if there would be any savings in moving to a computer phone line.

It was decided that we will invite members of our churches to give a special 100th Anniversary gift to Rockwood or Stone later in the year.

Representatives from both churches will meet with Rafael Torres, Director of Property Services of Toronto United Church Corporation to learn more about renting out our churches and promoting rentals online.

The committee was reminded that grants are available from the [UpFund](https://upfund.org/), [Seeds of Hope](https://seeds-of-hope.org/), PTCC <https://ptccorp.org/>, TUCC <https://www.tucc.ca/> and Western Ontario Waterways. <https://wowrucucc.ca/financial-support/>.

Rockwood Property & Finance

Submitted by Sherol Steinberg

We talked with UPRC regarding the option of turning the church property over to them to manage and we would in effect become a tenant. They indicated that they would be interested, they would need to make \$3500 a month in rental fees to ensure Rockwood would not have to pay rent, but we would need to be flexible in our use of the church. Rockwood would have no control over potential renovations, and they were not currently willing to make accommodations for current long-term tenants of AA. They also would mandate the parking lot to not be sold.

Due to information lags from UPRC, and their lack of responsiveness and some of the restrictions that would be put upon the congregation, the Council decided that we would currently prefer to relist the parking lot for sale and look into the saleability of the House of Joy. UPRC were informed, we will leave the door open for further discussion. They were potentially interested in taking over the House of Joy, but would like to tour and do an assessment.

In general Property and Finance found UPRC challenging to deal with, and it was felt we would prefer to try and increase rentals on our own.

We are looking to improve the rentability/accessibility of Day Hall, to that end we have applied for an UpFund grant.

Thank you to Ros Bentley who has written the grant proposal to the UpFund. We have requested monies for electrical work, improved lighting in Day Hall, programmable thermostats in the Hall and in the Sanctuary, energy efficient windows in Day Hall (end Wall), installing a lock box for rentals, and repairs to the plaster and dry wall in the Hall. We have purchased paint and will be painting the kitchen ceiling, Day Hall ceiling and the walls and trim in Day Hall.

After improving the Hall, we will come up with a plan to increase rentals.

Property Update – Jack Ward

Stone had one take-out dinner this year on May 8th. Sales were good and it was profitable.

Water tests continue to be done every 90 days as required by Public Health. All reports to date indicate our water is safe.

A yard clean-up is being planned for the next month to trim bushes etc.

The hybrid furnace performed well during the winter but drainage problems with water from coil defrosting will be addressed now that the warmer weather is here.

Financial Update – Bill Allen

- Operating deficit of \$6,450 to the end of April.
- Four doners have passed in the last two years and three donors are no longer contributing. One new donor has been added.
- Maple Syrup fundraiser contributed \$2,350.
- Four fundraising dinners to come.
- Operating deficit of \$7,500 projected to year-end.
- TD Wealth Management will no longer be managing out portfolio as our assets are deemed too small to manage.

Stone Pastoral Care and Fellowship

Submitted by John Leffler

The members of the committee along with other Church members helped to deliver the fall Christmas Packages to each Church family. People continue to express thanks for the packs. Thank you to the Stone Pastoral Care members and all who visit people, send cards, keep the phone and membership list up to date and keep in touch with our Minister to keep her informed of life events within our congregation. The ham dinner provided dinner for over 80 people – for many this is great Pastoral Care.

Rockwood Outreach

Submitted by Marcia Haworth

In January we were pleased to distribute funds raised during 2024 to help our partners by sending \$1500 to Guelph Wellington Women in Crisis and \$1000 to Anishnabeg Outreach for their Spirit Bundles. In addition, each adult client of the EWCS food bank in Rockwood received a \$50 Walmart gift card and we were able to increase our support for families with each family of 4 receiving a \$250 gift card and families of 5 receiving \$300. We hope this helped them over the difficult post-Christmas period.

In March we indulged in a chicken pot pie-making marathon, making 44 pies which sold in no time. Once again, we thank Maple Lodge Farms for their donation of chicken.

Our congregations have also continued to support Outreach by donating generously, which enables us to help the food bank on a regular basis. We are in regular contact with the coordinator who tells us which staples are in short supply. So far this year we have purchased large quantities of cheese, eggs, butter, frozen vegetables; frozen fish and single serving frozen meals.

We are now organizing a spring fund-raiser along with the Property and Finance Committee. We hope to have a very successful plant sale on May 31st outside the church, in conjunction with the Country Breakfast from 8 am until around noon. There will be perennials, including unusual hostas; vegetables including heirloom tomatoes; herbs and small trees. If anyone would like to donate items, please contact Marcia cmhawort@sentex.net or sherol.steins@gmail.com. We can help with the digging if needed.

Stone Canadian Foodgrains Bank Project

Submitted by Barb Parker

Stone UC's Canadian Foodgrains Bank Project Committee has been actively promoting our 7th year of local activities, as well as CFB nationally, and here in Ontario. An CFB Update regarding US Foreign Aid cuts impact, and the Sudan crisis, prepared by Bill, was included in the March/April Bulletins. We also promoted and attended the March 27th Spring Information Meeting at Barrie Hill, with Ontario CFB Coordinator Henry Reinders.

Our Harvest Table initiative has returned, and offers the community mulch, spring leeks, trees/plants, seed potatoes, etc., with the theme – Take as you Need, Give as You are Able. Seeds for pumpkins, sunflowers, zucchini, and mystery melons are being distributed for the growing competitions along with other vegetable seeds, which we hope will be shared back as produce for the Harvest Table this summer and fall.

With the United States Administration drastically cutting funding of International Aid, it is even more critical that aid agencies such as the Canadian Foodgrains Bank step up to fill the gap. Conflict in areas such as the Gaza and Sudan continues to be the leading driver of food insecurity. Donations to our growing project can be made through e-transfer to stoneuc.treasurer@gmail.com or a cheque sent to Stone United Church, P.O. Box 57, Rockwood, N0B 2K0.
